Bukit Sembawang Estates' Watercove Crowned As Asia's Best Residential Green Development At 14th PropertyGuru Asia Property Awards Grand Final

Bukit Sembawang's developments, Watercove and Luxus Hills, were both honoured with the award for Best Housing Architectural Design (Singapore)

Bukit Sembawang Estates Ltd (BSEL) bagged five coveted prizes at Asia's most prestigious industry awards - **14th PropertyGuru Asia Property Awards Grand Final** held in Bangkok, Thailand on 22 November 2019.

Watercove by Bukit Sembawang was crowned as **Asia's Best Residential Green Development** at the region's long-running and most respected real estate awards which recognises the best of the best in 14 real estate markets.

Bukit Sembawang was awarded the following country and regional titles:

Watercove

- **Best Residential Green Development (Asia)**
- **Best Housing Development (Singapore)**
- **Best Housing Architectural Design (Singapore)**

Luxus Hills

- **Best Housing Architectural Design (Singapore)**
- **Best Housing Interior Design (Singapore)**
